

## Terms and Conditions of Credit

### 1. The contract

The Customer has read and understood, and agrees to, these terms and conditions for the operation, establishment and use of a business credit account ("Account"). The execution of the application for an Account ("Application") constitutes an offer by the Customer to acquire and use an Account on the terms and conditions set out in this document. If Safety Compliance Resources Pty Ltd (SCR) ("Company") approves the Application, such approval will constitute acceptance of the offer and will create a contract between the Company and the Customer on these terms and conditions ("Contract").

### 2. Credit enquiries

For the purpose of considering the Application, and at any time during the term of the Contract, the Customer authorises the Company to make such enquiries as the Company may require to be satisfied as to the creditworthiness of the Customer. The Customer agrees to provide signed written authorities addressed to the Customer's banker or other credit providers, credit bureaux or mercantile agencies as the Company requires from time to time.

### 3. Credit limit

The Company specifies the maximum (GST – inclusive) amount that may be charged to the Account over a particular period ("Credit Limit"). The Customer's Credit Limit is subject to review at any time by SCR. SCR may, on request in writing by the Customer, agree in writing to increase or decrease the Credit Limit. The balance of the Account at any time must not exceed the Credit Limit. SCR is not responsible for any loss or damage whatsoever or howsoever caused arising from the refusal by SCR to supply the Customer with any products or services on credit because the Credit Limit has been exceeded. The Customer agrees to immediately pay the amounts charged to the Account for any products or services supplied by SCR in excess of the Credit Limit, whether or not demand for payment has been made by SCR.

### 4. Terms of payment

4.1 The Customer agrees to pay SCR by Electronic Funds transfer the contracted amount each month

4.2 Payment of the amount specified in 4.1 will be in Australian Dollars (AUD).

4.3 Tax invoices are emailed to the Customer at the address specified by the Customer for that purpose in the Application. This is sufficient notice of the amount due under the Account.

### 5. Warranties

The Customer warrants that:

(a) all statements made and documents provided in connection with the Application and all representations that the Customer has made or may make during the term of the Contract to SCR are true and correct; and

(b) the Account is required for the Customer's business or commercial purposes and will not be used for more than one site (as nominated in the application). The Customer acknowledges that SCR relies on the correctness of these warranties in approving the Application and continues to rely on these warranties in its further dealings with the
